Dear Valued YAD Golf Day Sponsors

YAD's 2010 Golf Event was a resounding success; I am smiling as I am typing this note, which expresses our heartfelt sincere appreciation for your generous support of this YAD event.

Once more the higher power smiled on us as the bad weather that threatened to spoil our day abated. I maintain there is some unknown weather magic in the placing of a broom in a tree and a fork into the ground.

A warm YAD welcome greeted our Golfers and Sponsors and the aromas of freshly roasted coffee beans and baked muffins were the first clue to the kind of day we had planned for our golfers. It was an enjoyable and memorable day both on and off the course. Stenham (key sponsors together with Macsteel) ensured that our Golfers were spoilt with a beautiful kit including tog bag. Also the intoxicating smell of Frying Onions and the sizzle of braai'd meats had many a golfer drooling before they reached the halfway house for lunch. King David's Course was in good condition and many of our sponsored holes were interactive adding much enjoyment to the day ranging from beautiful wine tastings, Champers, Whisky, and Sushi, Chocolates that melt in your mouth to competitions testing both golf skills and even fitness.

Following the day's Golf a lavish dinner buffet was enjoyed by all - special acknowledgement goes to our caterer Merle Rubin. The array of prizes for both our four balls and for the raffle was unsurpassed! Jake White was a huge hit and had everyone alternately eating out of the palm of his hand so rapt was their attention, and laughing their heads off. Comedian Rob Van Vuuren multi tasked between entertaining, MC'ing and prize giving.

YAD hereby acknowledge you, our cherished sponsor because without your generous support, the high standards and value added elements, which we pride ourselves on and which our golfers and fellow Sponsors have come to enjoy, would not be possible. It is our valued sponsors, both veteran and brand new, who made this day the success that it was by their generosity and participation. Our event's success is only due to the kind of

loyal support and generosity of spirit which we are privileged to accept from our participants and sponsors alike ensuring that the day is such a fabulous one.

We are indebted to you and you have our respect and appreciation for your valued support. You, our treasured partners in this event continue to enrich our worthy beneficiaries and together we improve lives via your generosity and open heartedness.

Please **visit pages 16 and 17** in the enclosed Cape Jewish Chronicle for **acknowledgement of your support**, photos and a report on the event. Additional YAD Golf Day Photos 2010 can be viewed on our brand new website www.ujc.org.za (you are acknowledged there also).

We trust we will be having a similarly positive conversations and communications come 2011, so kindly please do make provision already in early 2011 budgets to ensure your support and participation next year is secured. It will be our TENTH such event and celebrations are justly due.

Many thanks with our heartfelt appreciation for your support and participation.

Blessings
